### FATHER GENERAL'S MOTHER PASSES AWAY – UNITED WITH HIM IN PRAYER

Curia News, Rome

Margarita Abascal, mother of Fr Arturo Sosa, Superior General of the Society of Jesus, passed away on Saturday, 30 October 2021, in Caracas, Venezuela.

All Jesuits and members of the wider Ignatian family join in offering Fr Sosa their deepest condolences and assuring him of their prayers for his mother and family. Margarita Abascal was born in Caracas in 1924 and spent her entire life there. She married Arturo Sosa (snr) in 1947 who passed away in 1996. Father General's mother was in good health for her age until a few weeks ago. Her condition deteriorated rapidly in recent times and she died of natural causes due to her advanced age.

When he learned of his mother's death, Father General was in Marseilles preparing to participate in the large gathering of the Ignatian Family of the French-speaking Western European Province. The Secretary of the Society of Jesus, Fr Antoine Kerhuel, will read the message that Father General was to address to the participants before the All Saints Mass on Monday 1 November.

Fr. Jomon went to Jhapa to receive his nieces and nephews who spent a few days visiting Kathmandu and Pokhara. In the second week of October Arul conducted a one day faith formation program for the faithful in Surkhet. For the first time the faithful participated in the Eucharistic Adoration and received blessings of the Lord. Sr. Rosita, SCN

was generous in arranging high tea for the participants. We were very glad to have Fr. Tomson who spent a few days and cooked sumptuous food for Jomon and Arul. Tomson and Arul went to visit some parts of Karnali province and especially went

closer to Jajarkot to meet Tomson's friend. Arul was delighted to welcome our Jesuit companions from St. Xavier's Jawalakhel community and Bro. Clarence. Sr. Rosita invited the Jesuit visitors to the convent for Holy Mass presided over by Fr. Sanjay followed by delicious lunch. We were gladdened by the visit of the Salesian Fathers, Binu and Gee. Arul was happy to welcome Fr. Dennis Soosai who spent a few days and visited an agriculture research center in Ramghat near Surkhet and collected some buckwheat samples for his research studies.

Arul visited Dailekh district getting to know the people, and their culture and landscapes. It is a developing district but one could clearly notice how the poor are being excluded from the main stream of developments.

Jomon and Arul made several visits to the surrounding areas of the Surkhet valley in order to get to know the life style of the people, their culture and financial conditions.

We were glad to invite the five SCN Sisters to our Jesuit residence for a dinner prepared by us.

UML, a political party held the First National Convention in Godavari New City Hall from October 1-3. Around six thousand participants were accompanied by Former Prime Minister K.P. Sharma Oli. The party requested the school to provide drinking water and parking place for three days.

The Principal was back from Training of Trainers (ToT) workshop in Orissa, India. In the first week of October many online meetings were held, like class teachers- parents meeting, coordinators and teachers meeting, HOD faculty meeting and so on.

On the 8th, the staff meeting and Dashain get-together for teaching and supporting staff were held. The event was not online but physical. It was nice to see most of the staff members coming together for Dashain Celebration after long time.

After Dashain Celebration with SXG staff, the community had an outing from October 11 - 15 to Pokhara, Jomsom and Mukti Nath. Muktinath is a

Shiva temple, sacred to both Hindus and Buddhists. It is located at an altitude of 3,710 meters (12,172 feet) at the base of the Thorong La pass in Mustang district. The outing was very unique.

Dashain holidays were given from October 7 to 16 and online classes resumed from October 17.

In our campus, development works are in progress, like renovation of the old building, new table tennis court and so on.

On the 23rd, the school had SMC meeting to update school activities and land issues. Godavari Mayor used JCB in SXG field without any official letter. The school has sent notification letter to Godavari Municipality, Chief District Office and Patan High Court. Till now we have not got any reply. Still, we are trying to sort out the crisis through various ways.

Fr. Nicholas Christuraj arrived here to make his annual retreat on October 11. Fr. Dennis Soosai visited Kathmandu and stayed with us for few days. Dennis is doing research study on certain plants which exist in Nepal. He left for Darjeeling on the 24th.

At the end of the month, Good Shepherd Sisters made their six days' retreat at Ashram. The current temperature of the area has fallen; winter has begun in Godavari.

ally'. The major step after weeks of online classes has been to resume real, face-to-face physical classes for all students, from primary to plus two. The next step was then to divide each class into two groups and alternate class days for each group. Then, the senior classes resumed full attendance each day. Now, the school looks forward to full attendance for all students after the coming Tihar holidays. Students are required to wear masks however so 'fully normal' is still a devout hope.

Our community and school are in border territory so we are able to offer hospitality to Ours and their relatives coming and going from India. Fr.

Augustus, on vocation promotion, Fr. Jomon, Fr. Arulanandam on 'grotto duty, Fr. Dennis Soosai on Ph.D. research, and Fr. Simon Kerketta from Gaya-ganga. and of course, Fr. Amrit on his way to meetings in Darjeeling and to the JCSA.

Scholastic David is at this time on retreat in Kathmandu. Fr. Sanctius has been officially appointed Minister for school and community. Fr. Raja too has joined our community and is full-time in the school. Fr. Daniel remains busy directing the plus-two along with our Principal Fr. Bony. His interest and energy in developing the ecology, trees, lawns, and playing fields show daily results.

school activities including games and co-curricular activities. The newly elected school captains and the house captains had oath taking and badge receiving ceremony during the assembly on 6 October. Now the entire student body and staff are divided into four houses for sports activities and 6 clubs for co-curricular activities. The students have great fun and frolic on as they have sports activities and co-curricular activities on alternative Sundays. The students had their first unit test before the school closed for Dashain holidays from 12 to 19 October. Mrs. Neeta Kisku, our alumna and our teacher who served this school for last 8 years got a government job, so she had to leave this job. The school is grateful for her dedicated service and wishes her all the best for her future.

Br. Irenaeus made his annual retreat here from 9 to 16 October. Fr. Nicholas made his annual retreat at Godavari, Kathmandu from 12 to 19 October. Fr. Nicholas' birthday was celebrated on the 26th. The staff and students wished him in the assembly and the Junior class students expressed their love through self-made greetings. It was heartwarming to see the little children's imagination, creativity and way of expressing their love. In the evening, the Deonia community Jesuits joined us to make it a fabulous birthday celebration.

The Festive month of October, Mother Mary and Dasain blessed St Xavier's Parish Maheshpur with many people and spiritual activities. On the first day

Mass and Br. Clarence among them. The same day youth President, vice-President, Treasurer, and Secretary were installed. Sch. Zacharias, having joined Maheshpur community is a blessing for us and especially to school and parish. He is very good at music and he is teaching music to our youths. Once again life has come back to our parish after two years with regular physical Mass at every Mass center and catechism classes after the shut down due to pandemic. We had retreat for the parents from the evening of 12th to the morning of 15th. There were about 200 participants including children. The resource persons for the retreat were Fathers Boniface, Daniel, Paul KC, Norbert and Tej. The last day of retreat, seven catechumens were baptized. Thanks to the Christalaya Sisters for giving all the mothers accommodation during the retreat. They all helped the parishioners with great generosity. Our youth played a vital role right from the registration, welcoming with juice, cutting vegetables, serving food, cleaning vessels etc. Schs. David and Zacharias took care of the sound system and morning meditation well. Our faithful had a very good feeling of Ignatian exercise. Now we are getting ready to have a youth convention in Tihar and our youths have been coming every day to the parish for the practice. Youths too are expected about 200 from Sadakbari, Simalbari, Patapur, and Maheshpur.

# GONZAGA HOUSE

October 1 onwards we started full fledged classes, no more group A and B. It was also a kind of trial to see how things work out because it was followed by Dashain vacation. October 8 to 20 was Dashain holiday and on the 21st, class resumed though there was a very bad weather and a hume-pipe which was laid on the river was washed away. During Dashain holidays, Fr. Tek had gone to Okhaldhunga to bless the foundation stone of his brother's house and also made a trek to Thorang la pass with Fr. James. Br. Irenius made his annual retreat in Maheshpur. Fr. Vijay was on and off to short bike rides and a tour of CRN Purvanchal as a President of CRNP with Fr Boniface, Dean of Purvanchal. Fr. Peter had a quick home visit. Fr. Vijay came back to the community on the 16th, Fr. Peter on the 17th, Br. Irenius and Fr. Tek on the 20th. Br. Irenius was dropped by Fr. Tek and Sch. Zacharius, a new regent in MMS from Ranchi Province. Zacharius had a

maiden trip to Sadakbari. St. Anne's Sisters had gone to Kathmandu to meet their Provincial and they too came back on the 20th.

On 7 and 8 October a retreat for the Parishioners was organized. It was supposed to be a part of Ignatian Year celebration but we called a Santhali speaking Salesian Father from Biratnagar, Fr. Jacob and his assistant Mr. Alphonse Soren. It was a very good retreat, big number turned in for the spiritual nourishment. On day 1 around 250 people were there and on day 2 around 350 people.

On the 24th, Fr. Peter left for another mission of looking for vocations in Darjeeling area. On the 26th, birthday of Fr. Vijay was marked in the school and community. Students surprised him with so many handmade cards. In the evening Srs. from Sadakbari and Simalbari joined the community for agape.

Our Community had an outing to Bandipur on the 1st and the 2nd. While we were there, we

*Fr. Jiju against the mighty Annapurna South* enjoyed the hospitality of Fr. Silas and Sr. Meriam. We thank Thomson for giving company to Cap during these days.

College closed for Dashain holidays from 11 to 23 October. Making use of the opportunity, Robert, Deepak, and Jiju went trekking to ABC. James joined Tek to successfully cross the Thorong La Pass from the Muktinath side. Augustine spent a few days in Pokhara. Dilip and Clarence left their fort in Province 2 and joined us during the holidays. While Clarence accompanied some of the SXJ community members for a trip to West Nepal, Dilip stayed on to plan out his vocation promotion trips. He has now embarked on a trip to visit the parishes in east Nepal. Cap and Victor stayed home to take care of one another and the house.

*Fr. Jiju, Fr. Robert and Prakash Sir at Poon Hill*

After Dashain, we have resumed classes on a blended mode for all departments. Each department has its own plans for its academic activities. While staff report to the college, students attend classes online mostly. The library on the main campus is under renovation, along with a few other parts of the compound. We hope to have it all completed before we resume onsite classes after *Tihar*.

## HRDRC SANEPA

October was somewhat relaxing month because of Dasain festivities. The Curia staff were given Dasain vacation. Fr. Mathew went for COJET meet at Dindigul after his home visit in Kerala. He was back in the community

by 19 October. Fr. Amrit went to Darjeeling Province on 10 October to participate in the Province Congregation; thereafter, he went to Manresa Novitiate, Kalimpong to meet our novices. He left for Hyderabad for JCSA meet. After the JCSA, he visited our only scholastic studying philosophy at Satya Nilayam, Chennai. Fr. Juel made use of Dasain vacation for 8-day trekking to Anapurna Base Camp via Ghorepani-Poon Hill. It was an ecstatic experience up on the mountains. When most of the community members were away, Fr. Thomas guarded the house. He did the good job. No intruder dared to enter the house during Dasain revelry. Meanwhile, he joined the invalids and children of Gafney Bhavan, Aruna Bhavan and SXSSC for the *Dasain* festivity.

*Fr. Mathew gets traditional welcome*

After the vacation, the Region Curia is open. Fr. Manu Mathew from Tipling Mission stayed with us for few days. He came to have his eyes checked. The winter is here. Community members are seen regularly with shawl and sweater.

*Fr. Ignatius puts tika on the children of Aruna Bhavan and gives blessings*

The most awaited festival, the festival of victory over evil “Vijayadashami” arrived at last with lots of joy, happiness, and awe. On the festival occasion, children from both homes went to their respective families to celebrate it and receive blessings from parents and elders. Some Children stayed back home. As a symbol of victory over evil, Tika, and Jamara exchanged between elder and younger ones. Fr. Ignatius put Tika to all the family members and blessed them with gifts to have a meaningful and ceremonial festival. On the occasion of Dashain, the SXSSC families had a get-together at Aruna Bhawan. All of us celebrated it singing and dancing that followed by a delicious lunch. Thus, all of us shared joy, peace, prosperity, and success. In the name of the Vijayadashami festival, a donor, Mr. Sagar Adhikari and his family helped us have a meaningful celebration with a sumptuous meal on 23 October. After the Dashain festival, two Schools have opened. Hence, boys and girls of these schools returned to their respective places to continue their regular classes.

# SHISHU BIKAS KENDRA POKHARA

The festive mood of Dashain brought lots of hustle and bustle to Shishu Bikas Kendra (SBK). The water supply drainage excavating in the tole road has evaporated the peace of the place. Few of SBK students were seen celebrating the season with full devotion. The unusual down-pour of rain has obstructed the daily activities of the place. The cold has crept into the city early this year due to the unexpected rain. Few SBK staff come to centre to upkeep the place.

The spiritual obligations are regularly carried out by the Parish Priest. The online Masses, adorations, family visits and communion services are given to the parishioners. Rev. Bishop Paul Simick paid a short visit to us. Thanks to Frs. Ignatius and Augustine for offering online Masses

to the parishioners. They were extremely glad to have them praying for them. Fr. Ayar went to Our Lady of Pilar church to celebrate the feast of the parish. Fr. Amit attended to the Cluny Sisters for their retreat Masses. Frs. Amit and Ayar are doing well. They were busy in taking care of the guests since lots of Jesuits and non Jesuits from Kathmandu valley made their base at Pokhara on their ways to trekking to different directions. They returned to SBK with enormous rich experiences covering miles and distances in the Himalayas being foolhardy experiencing God's Grandeur and being enchanted with its magnificence.

# ST. IGNATIUS CHURCH BANIYATAR

September and October were busy months for the Parish priest to finalize students for the scholarships given out from the parish. There are a few non-Catholic poor students as well for the scholarships from the neighbourhood. The church supports

constantly reminded and encouraged to take the vaccine jabs whenever there are chances in their locality to keep the church congregation safe.

At least half of the parishioners from Baniyatar visited their ancestral homes in Tipling during *Dashain*

their school fee studying in LKG to Class 10 among whom majority of them study at Jalupa School, Baniyatar. At St. Xavier's School, Jawalakhel all the students from Baniyatar Church are on a minimum tuition fee payment as they are heavily subsidized by the given maximum scholarships in the school. St. Ignatius Church, Baniyatar continues with her daily online live Mass at 7 a.m. Anyone can attend it. For the last few months, the parish priest has started giving a physical holy Mass to the Bambino Sisters every Wednesday at Prernalaya Convent. This too is a streamed as a Zoom online Mass for the others. The parish priest has been regularly encouraging the parishioners to attend at least one Mass physically on weekdays in the church to avoid the big crowds on Saturdays. The entire church has been divided into six zones and one zone gets its turn every Saturday to attend the holy Mass physically and for the others same Mass is live streamed online. The parish priest is on wait and watch mode for the new COVID-19 situation after Dashain and Tihar (Dussehra & Deepawali) holidays to open the Church fully on Saturdays. The parishioners are

festive holidays. On October 10, seizing the same opportunity, the parish priest too went on a vacation and a country sightseeing with some of his community members to Sudur-Paschim, far-west Provinces of Nepal. The group went up to the Baitadi Airport which is just before 150 k.m. from Khalanga, the district headquarters of Dharchula. On returning from Baitadi, the group visited Suklaphant National Park and a unique Dodhara – Chandani Suspension Bridge on Mahakali river at Bardhiya. Before heading back to Kathmandu via Pokhara, the group visited Fr. Arul Selvam, S.J., in Surkhet, Karnali Province. The parish priest was more than happy and excited to say online Masses for the parishioners from far-western-region of Nepal as the parish still continues to have Masses online.

St. Ignatius Catholic Church, Baniyatar is going to conclude her two months long online holy Rosary which began back in September 1 with the Season of Creation and went on until October 31 which is dedicated as the month of most holy Rosary.

# GOOD SHEPHERD TIPLING

Fr. Amrit came to Tipling with Fr. Anup on 1 October. Next day, on Saturday he presided over the Mass for the parishioners and officially blessed church construction work on the site with the blessing of the foundation. It was real blessing from God, as blessing was done in pouring rain. Though, Fr. Amrit had planned to stay for visitation but could not, as he has to rush back to Kathmandu after the blessing.

Tipling village experienced the influx of people from Kathmandu and other places during Dashain festivals. We witness so many people's arrival and get to know many of them. During Dashain celebration, Ruby valley creative youth society organized cultural program and social awareness program. They also organized volleyball match and competitions for mothers in Namsa. Also, the society distributed note books to both the schools in Tipling which was sponsored by Don Bosco, Lubbu. Again both the schools received stationary items and teaching materials from MBS fourth semester students, St. Xavier's College Maitighar. These students have visited Tipling for their social awareness program. This year Gothandevi School was blessed as St. Xavier's school Godavari provided 100 tracksuits for children. Chil-

dren are so happy receiving these tracksuits and the children wear it every day as their school uniform.

Thanks to Fr. Samuel and Markus Ghale who brought tracksuit from Kathmandu.

After long await, finally JCB arrived at church construction site and has started levelling the land on 23 October. Now, we experience some progress on church construction work. We request you to pray for the successful completion of church in Tipling. Fr. Manu went to Kathmandu for his personal work towards the end of Dashain holidays and was back to Tipling on 29 October. Schools are opened after Dashain celebration. Jomsai Ghale (70 yrs old, baptized by James Britto) due to high BP died on the 24th early morning.

Fr. Anup offered the funeral Mass in the afternoon and he was crimated in Lapdung. Following two days prayer service was conducted by parishioners and parish youth. He was a Congress party member, so a group of politician from Congress party came from Kathmandu. Tipling is getting very cold during the night, however day time it is sunny and warm.

## GESU, ROME

We started our new academic year 2021 – 22 on 4 October. The students, with the Green-pass, are expected to be in the college for the lessons, but the other students participate in the lessons online. During the lesson and at the university, the students are asked to wear the mask at all times. We are also following all the regulations like social distancing. We also went to Rocca di Papa on the 27th for two days of community orientation program. We had lots of fun and interesting icebreaking games through which we also came very close to the new Scholastics and likewise, some of us were able to show our talents on a cultural evening. There were some inputs given by the Rector, minister, and other Fathers regarding our life in the community and the apostolate that we

do once a week. We also celebrated birthdays of all the Scholastics who had their birthdays during the summer vacation. Apart from the theological studies, some of the first years are busy preparing themselves for Italian test at the University. The first years' also had the input session with the Prefect of the Studies, Fr. Francesco Occhetta S. J. We have now one more new community staff member, Fr. Mario Torres S. J. from Porto Ricco, who will be one of the spiritual directors. We, the third years, have started the course on Ad Audiendas with Fr. Bertolis from the Italian province on 23 October.

## PRMAL JYOTI AHMEDABAD

After a day's outing to Bharuch, we are back with fresh mind and body to face forthcoming activities. We are on our toes these days due to internal and semester exams. However, in spite of busy schedule we spent a day in recollection reflecting on the theme "Religious life in the mobile world" by Fr. Francis Macawan S.J. It was good time for us to reflect upon the theme. "Are we using mobile or mobile is using us?"

We began the October month with the celebration of Gandhi Jayanti on 2 October. On the 12th, we had an input by Fr. James and Sch. Manu on Spiritual conversation. This year there was less movement during Navaratri due to covid restrictions. Soon after Dussehra third and second years' students began their semester papers. At present all are busy with assignments and vivas. On the 28th, Fr. Simon Thomas gave a talk for all in the Premal Jyoti communities on 'Introduction to autobiography of St. Ignatius of Loyola'. During Diwali holidays scholastics are going for mission exposure to different mission stations of Gujarat Province. Wish you all happy Diwali in advance.

## SATYA NILAYAM CHENNAI

*Philosophers of Satya Nilayam, Chennai*

The month of October had been a strenuous with lots of dedications and commitments. All the second year philosophers were busy with choosing their dissertation topics while being fully occupied with assignments, presentations, group discussions, above all getting ready for CIA-2 and the semester-3. On October 2 along with a few scholastics, I took the vaccination-2 successfully. On the 9th, a long awaited day at last arrived, educational tour to Pondicherry. It was a day of fun, enjoyment, above all a great learning. From October 18-22 we all were busy with second Continuous Internal Assessment (CIA) tests and on the last day of the test we visited the Birla Planetarium. All enjoyed and learnt history and growth of India and the development of Science especially from the space theatre.

At present all of us are seriously preparing for the semester exams which would be held from October 28 to November 5.
